USER STORY MINDSTACK

As a
Student preparing for exams
I want to
create personalized digital flashcards from my study notes
So I can
transform passive reading into active recall practice

As a
Student wanting to test my knowledge
I want to
build customized quizzes based on my specific topics
So I can
assess my understanding and identify knowledge gaps

As a
Goal-oriented Student
I want to
track my study streaks and quiz performance
So I can
monitor my consistency and see my improvement over time

As a
As an organized Student
I want to
manage all my flashcards and quizzes in one central location
So I can
easily access, update, or delete my study materials

As a Student seeking help **I want to** ask questions about topics I'm struggling with **So I can** get clarification and support from other students
As a Helpful Student **I want to** share my high-quality flashcards and quizzes publicly **So I can** contribute to the learning community and help other students
As a Student looking for study resources **I want to** access and use publicly shared reviewers and quizzes **So I can** benefit from other students' study materials and save preparation time
